## Reference Letters

### 1. [How do I submit reference letters in support of my application?](#)

You must register your referees on the portal so that they can upload their recommendation letters directly into the application. Once you input each referee's information in the table and save it, an email will be triggered to them with a link to upload their letter. We recommend that you give referees at least 2-3 weeks to complete the recommendation letters. Referees will be able to access the Guidance to Referees within the Referee Portal. It is your responsibility to ensure that referees submit their references online by the reference deadline, 11.59pm IST on Sunday the **21st March 2021**.

### 2. [What is an academic reference/ letter?](#)

The academic reference should be from an academic who can comment in detail on your academic ability and how well they think you would do at the university you are applying to. They should have formally taught and graded you in your undergraduate or high school (or, if relevant, postgraduate) studies.

### 3. [What is a character reference/ letter?](#)

The character reference should testify to your character

and/or your involvement in extra-curricular/service or leadership activities. These referees should be persons who are able to speak in detail to your character and comment critically on whether your extra-curricular, non-academic requirements and leadership traits are aligned with the scholarship's criteria. The character referees need not necessarily be affiliated to your current university.

### 4. [Who should my reference letters be addressed to?](#)

Referees may address their letters to the Scholarships Evaluation Committee. Please refer to the Guidance to Applicants and Guidance to Referees documents for more details.

### 5. [My referees are not competent in the English language. Can they submit the reference in their native language?](#)

We only accept reference letters in English.

### 6. [Can I change the references listed in my application?](#)

If you need to exclude a referee from your referee list, there is an option to do so by selecting the exclude option. If you exclude any referees, any letters they submit will not be reviewed and evaluated by our panellists. Once you exclude a referee, you may add another one in their place. Please ensure that you submit 2 reference letters, 1 academic and 1 character, by the reference deadline, 11.59pm IST on Sunday the **21st March 2021**. You may exclude and re-add another referee up to the reference deadline on the **21st March 2021**.

### 7. [Do my reference letters need to be written on official letterhead?](#)

If your reference letters are being uploaded in PDF format, they do not need to be written on official letterhead and signed by the referee. The referee

may also input his/ her letter directly into the text box in the platform.

8. [What should be included in my reference letters?](#)

You must submit 2 letters in order for your application to be considered complete: one academic and one character letter. The academic reference letter comments on your academic ability and the character letter testifies to your character and/or involvement in extra-curricular/service or leadership activities. Please refer to the Guidance to Applicants document for further details.

9. [Can I write the reference on behalf of my referee if they don't have time to do it?](#)

No, you cannot write the reference on behalf of your referee. Please provide your referee with at least 2 weeks to complete your letters so that they are not pressed for time. It is your responsibility that referees submit your letters before the reference letter deadline.

10. [Who should write the reference letters?](#)

While it is useful to have someone with a known reputation in the field, the best criteria for recommendations is someone who knows your work and character extensively. We also advise mixing internal and external letters to demonstrate the breadth of your contacts. You may also contact a professional reference who knows you well.

*Eligible Courses: Postgraduate Degrees*

M.E. Big Data and Data Analytics (2 year)

M.E. Cloud Computing (2 year)

M.S. (Research) in Computer Science and Engineering

M.S. Computer Science (2 year)

M.Sc. Data Science (2 year)

M.Sc. in Applied Mathematics and Computing (2 year)

M.Sc. in Applied Statistics and Data Analytics (2 year)

M.Sc. in Mathematics and Computing (2 year)

M.Sc. in Mathematics and Scientific Computing (2 year)

M.Sc. Mathematics and Computing program (2 year)

M.Tech. (Research) in Computational and Data Sciences

M.Tech. (Research) in Computer Science and Automation

M.Tech. (Research) in Computer Science and Engineering

M.Tech. (Research) in Computer Science and Engineering – Information Security

M.Tech. (Research) in Information Technology

M.Tech. Computer Science and Engineering (2 year)

M.Tech. in Computer Science and Engineering (3 year)

M.Tech. in Artificial Intelligence (2 year)

M.Tech. in Artificial Intelligence (2 year) TA / self sponsored

M.Tech. in Artificial Intelligence (3 year)

M.Tech. in Artificial Intelligence and Data Science (2 year)

M.Tech. in Artificial Intelligence and Data Science (Inter-Disciplinary Dual Degree Programme (IDDDP) in AI and Data Science) (2 year)

M.Tech. in Computational and Data Science (2 year)

M.Tech. in Computer Applications (2 year)

M.Tech. in Computer Science (2 year)

M.Tech. in Computer Science and Data Processing (2 year)

M.Tech. in Computer Science and Engineering (2 year)

M. Tech Computer Science and Technology (2 year)

M.Tech. in Computer Science and Engineering (CSE) (2 year)

M.Tech. in Computer Science and Engineering (Information Security) (2 year)

M.Tech. in Computer Science and Engineering (Machine Learning) (2 year)

M.Tech. in Computer Science and Engineering (Spl. In Information Security) (2 year)

M.Tech. in Computer Science and Engineering with specialisation in Cyber Physical Systems (2 year)

M.Tech. in Computer Science and Engineering with Spl. in Artificial Intelligence and Machine Learning (2 year)

M.Tech. in Computer Science and Engineering with Spl. in Big Data Analytics (2 year)

M.Tech. in Computer Science and Engineering with Spl. in Information Security (2 year)

M.Tech. in Computer Science and Information Security (2 year)

M.Tech. in Computer Technology (2 year)

M.Tech. in Cyber Security (2 year)

M.Tech. in Cyber Security Systems and Networks (2 year)

M.Tech. in Data Analytics (2 year)

M.Tech. in Data Science (2 year)

M.Tech. in Industrial Mathematics and Scientific Computing (2 year)

M.Tech. in Information Security (2 year)

M.Tech. in Information Technology (2 year)

M.Tech. in Networks and Information Security (2 year)

M.Tech. in Robotics and Automation (2 year)

M.Tech. in Software Engineering (2 year)
